

Support & Protect Your Watershed

RESTORATION EVENT

Thursday, May 24—6:00-8:00 p.m.

Hemlock Creek Picnic Area | Bedford Reservation

14800 Button Road, Walton Hills, OH 44146 | Meet at the shelter

Join TCWP and Cleveland Metroparks for a garlic mustard pull! Garlic Mustard is a common invasive species in our watershed that comes up in the spring. You can help native plants thrive by removing this easy-to-pull invasive.

Registration is through the Watershed Volunteer Program, link coming soon. TCWP will provide trash bags, gloves, and water. Please wear proper shoes as we'll be off the beaten path. Consider bringing your own gloves and water if you can.

Partnering with: Cleveland Metroparks
