Ohio Commission on Service and Volunteerism

NOWCorps Education & Outreach Specialist

Contact for interested Members: Kate Chapel, Tinker's Creek Watershed Partners Senior Project Manager at kchapel@tinkercreekwatershed.org or 330-963-6243. Please apply by June 30, 2019.

Tinker's Creek Watershed Partners (TCWP) is a non-profit, 501(c)(3) watershed organization officially established in 2006. Our mission is to protect and restore water quality and habitats of the Tinker's Creek watershed through community partnerships. The Tinker's Creek watershed drains 96.4 square miles and is the largest tributary to the Cuyahoga River. The watershed area spans 24 communities in Cuyahoga, Summit, Portage and Geauga counties.

Together with our partners, **Erie Soil & Water Conservation District** recognizes the importance of maintaining water quality throughout Northern Ohio. We also believe in educating the public and regional leaders to support behavioral changes that positively affect our water resources. The Northern Ohio Watershed Corps (NOWCorps) works with watershed groups, soil and water conservation districts, city and county government offices, and other conservation nonprofits to facilitate outreach, education, capacity building, environmental stewardship, and stormwater management.

Skills and Qualifications: Must have a high school diploma or GED, at minimum. Must maintain a valid driver's license, insurance, good driving record, have own transportation, and be able to operate motor vehicles during daylight and evening hours. Must possess or plan to pursue a college degree or equivalent in natural resources, conservation, environmental engineering, environmental science, civil engineering, or a closely related field. Must be willing and able to work outdoors in all weather, traverse by foot across rough and/or steep terrain, and load items weighing up to 50 pounds. Must be self-motivated and able to work independently and in a team. Must be able to communicate effectively in English using either written and oral forms or communication, and be able to work with little supervision. Must maintain a clean and neat appearance consistent with the public contact aspect of the position. Experience with ArcGIS and other ESRI products, preferred.

The NOWCorps member will receive programmatic training in addition to site specific training. Programmatic training includes first aid, CPR, volunteer engagement, native species planting techniques, stormwater permit requirements, minimum control measures including public involvement, public education, and Good Housekeeping, on a monthly basis.

Location: ***Erie Soil & Water Conservation District, 2900 Columbus Ave, Sandusky Ohio***
