Thank you for your support of the annual Ohio Stormwater Conference. We have been watching COVID-19 closely because everyone's safety is of the utmost priority to us. Based on everything that is occurring, we are postponing the conference.

The new dates are August 26-28, 2020 and will still take place at Kalahari Resorts and Conference Center in Sandusky.

Wednesday, August 26 will be set up  
Thursday – Friday, August 27 and 28, will be the conference.

I will transfer your exhibitor and booth information to the new dates. Please, any questions or concerns, contact me either by phone (216-385-5248) or email: [harry@tinkerscreekwatershed.org](mailto:harry@tinkerscreekwatershed.org)

Kalahari has been fantastic throughout this period in communicating with us. One thing they cannot do based on their system, is cancel and get new reservations for rooms. All the fees are the same for the new dates.
