

Native Plant Event

Join us at the Twinsburg Community Garden in plots 318 & 321, as Kate Chapel & Sandy Barbic explain the benefits of native species, how to plant them, & where natives can be purchased locally.

Wednesday, June 15th
4:30 PM

Kate Chapel
Senior Project Manager
Tinker's Creek Watershed Partners

Sandy Barbic

Soil & Water Education Specialist
Summit Soil & Water Conservation District

If you are able to help with planting, contact Rose Skipper at rskipper1218@gmail.com

Twinsburg Garden Club

Still Growing!
