HEAR FROM OHIO AMERICORPS ALUMNI

I love being able to help young people recognize their potential and figure out a way to make their dreams a reality. Seeing their faces light up when they finished a scholarship application or got into a college when they didn't think that it was possible was a great feeling. I loved getting to know them and their stories, connecting with them on a human and personal level was the best part of my experience this year.

The best thing about my AmeriCorps experience is how many lives I touched, how many smiles I saw, how many hands I shook and how many pantries I helped fill. I became such a better person through AmeriCorps.
